Notes
 Figures are collected from individual questionnaires, websites and other publicly available material.
 The strength of the US dollar has affected results, according to a number of groups.
 (1) Deloitte's 'other' figures include financial advisory and enterprise risk services.
 (2) EY's 'other' figures include transaction advisory services.
 (3) INAA membership is composed of individual member firms and national networks and is represented in 137 countries when including member firms of national networks.
 (4) MGI is 90% a network, 10% an alliance.
 (5) Merger between Morison International and KS International. Last year's figures are therefore not available.
 (6) PKF's previous year's figures include ARAF (Allinial).
 (7) TAG Alliances does not currently track partner numbers, but will do so from 2017.
 (8) UC&CS is an alliance globally, but a network in Latin America.
